On 26 November 1953, the following information was obtained from Informant (6030) who in turn received it from a Sub-source of unknown reliability:

Dr. Rolf ROEDER, press chief of the firm K-threiner, Munich, Germany, still maintains contact with Dr. Wilhelm Hoettl. Although ROEDER's permanent residence is listed as Munich, Germany, he practically lives in Cologne, Germany, where he is frequently visited by Hoettl. ROEDER is reportedly the official head of the recently established Office for Combating Coffee Smuggling (Buero zur Bekämpfung des Kaffeeschmuggels), which allegedly is some sort of a private investigative agency in Western Germany.

Sub-source: (F-3)

Agent's Notes: Hoettl is a well-known intelligence operative.
