SOURCE: EGMA 60947, 4 January ¹⁹⁶³ filed CS File 32W-5-38/18

3A: Johannes HOSSBACH: at the time @FLEMING made a simple request for BDC traces we neglected to find out what this was all about; since the subject never came up again we decided it was unimportant and never bothered to ask; our guess would be that @BERNHARDT requested FLEMING to ask for BDC traces, perhaps because of a tie-in with UJDROWSY.

Above received in reply to EGMW 12413, 19 October 1962 which asked reasons for BDC check and whether they connected with security.
