SOURCE Medical consultant (C) who is a friend of [] and spoke to him about his Albanian trip. Appraisal of Content: 2 (that [] was correctly quoted).

Vienna University Medical School Professor Karl Pellingner and the Vienna eye surgeon, Professor Helmut Fanta, visited Tirana, Albania, in mid-September 1964 at the invitation of the Albanian Government. In the course of their visit the Austrian doctors lunched with Albanian leader Enver Hoxha and saw him on several other occasions. Hoxha gave the impression of being in good health. At no time were the Austrian doctors asked to examine Hoxha or to advise him on health problems.

¹Field Comment: As was reported in EAV-9900.
