##### ~~(U//ATUO)~~ **Request Received for TWA Flight 800 Animation**

~~(U//ATUO)~~ The Flight 800 Independent Researchers Organization (FIRO) of Shutesbury, Massachusetts submitted a request for CIA's video animation of the TWA Flight 800 crash. The organization describes this animation as "showing how Flight 800 might have seemed to 750 eyewitnesses as it pitched back and ascended approximately 3000 feet after its nose section blew off." The requester also included an excerpt of a transcript of a CIA briefing to the National Transportation Safety Board with the statement "CIA Analyst: I asked our aerodynamicist to do a run, a simulation where he cut off the engines within a few seconds of when the plane exploded and see if it had enough momentum and lift to produce a trajectory that would be close to what we thought the eyewitnesses may have seen."

~~(U//**ATUO**)~~ **CIA Declassification Center**

~~(U//**ATUO**)~~ **From the Archives: CIA Recognized for Improvement to Federal Civil Service**

~~(U//**ATUO**)~~ The National Civil Service League gives an annual award to the civil servant who made the greatest contribution to improving the Federal Career Service. In a document dated 1970 that was recently reviewed by the DCI team at the CIA Declassification Center, the CIA was recognized for receiving six of the League's first 15 awards. Among the CIA's winners were Lyman Kirkpatrick, Sherman Kent, Arthur Lundahl, James Lay, and Richard Helms. [Redacted]
