REMARKS:

I have just been informed by DP that as yet he had
no response to his aeronautical telegrams PA050030
and PA051030 in reference to your OMCLK-61-038 memo.

As this matter is most urgent, it is imperative that
more prompt responses be forthcoming.

We have an outstanding instruction to promptly inform
Mr. Doole so that he, in turn can coordinate and
make necessary arrangements and handling in the USA.

I am at a loss as to why you have neither acknowledged
or replied to DP's two telegrams.
