Interdepartmental Liaison

To: Director of Central Intelligence 3 December 1946
From: Assistant Director, Collection and Dissemination
Subj: Intelligence for Use of the Army-Navy Munitions Board.

1. Enclosed letter from the Deputy Executive Chairmen of the Army-Navy Munitions Board has been referred to OCD for necessary action and preparation of reply.
2. a. Telephone contact has been established with Captain G. M. Prevost, Navy Executive Secretary of the Board. He has advised that CIG working liaison on this problem may be conveniently established through his office.
b. The Chief of the Requirements Branch (Colonel Roy H. Boberg) will establish the liaison promptly. In addition, OCD will work out with ORE the necessary details on how to solve this problem. On first examination, it appears clear that a combination of research and collection effort will be required.
3. Enclosed herewith is an appropriate reply prepared for the Director's signature. The format used (a memorandum to the Deputy Executive Chairmen) was suggested by Captain Prevost's office as customary in correspondence addressed to the Board.
4. It is recommended that the enclosed memorandum be signed and dispatched.
