Governati!

Kvis jura vestali var moontaji, ko tas
jokuma bija domats, bet abritija to neau.
Ko las ar to daru?! Negribtos kautno utoks,
kas pleak atkal citiem linsis mederops un
iesqmautojams. Prg vajadzibas melutu vo-
gmes silveteru aprutinat. Tas pato sakams
ar par Dz, kuris liskas lutu krpak piemerts
na Fircis, bet nada tam nofime, ja citi to
nesaprot. Topce negribas no metie luv saru
vaidu aprakust, ko tas ir Fircā gadsjums.
