MEMORANDUM FOR THE RECORD

SUBJECT : HSCA Request for Access to Golitsyn

1. Kenneth Klein, the HSCA investigator who worked on the Nosenko case, has asked to interview Golitsyn. He states that he has information of a confidential nature that he wishes to discuss with Golitsyn.

2. As, to our knowledge, Golitsyn has no direct information about the assassination of President Kennedy it is not obvious on the face of it what relevance this meeting has to the charter of the HSCA. Mr. Klein has been told to put his request in writing with a justification, upon receipt of which the request will be reviewed.

A handwritten signature in cursive script, appearing to read "S. D. Breckinridge".
