the family has requested some time at the Wall of Stars upon their arrival here to show it to their other family members. [redacted] will be with them. I understand ADDO [redacted], and possibly one or two personal friends from AF [redacted] have indicated an interest in greeting them during this time. We assume the family would like this to be a relatively quiet time, so we may want to hold the numbers down or just greet them and then leave them to some quiet time. If you plan on meeting the family in the lobby, pls coordinate this with [redacted]. Following this, [redacted] has arranged for the other family members to be returned to their hotel.
