Subject: URBAN, Josef Adolf			Date 6 Apr 53

EXPLANATION OF REFERENCES:

At the beginning of the conversation with [] [] [] stated that apparently a certain amount of KUBARK's interest in URBAN had been stimulated by a report from Germany that URBAN was doing business with Richard KAUDER. Liggett then asked what the status of KAUDER is in the service of Broadway. [] said that, as [] undoubtedly knew, KAUDER was a perpetual CE target of BROADWAY and that particularly since the dismissal of Victor ALTMANN, BROADWAY had been very interested in learning what KAUDER was doing. Liggett stated that our interest in KAUDER was essentially the same. (Liggett Note: The Impression persists that [] is withholding info about KAUDER AND THAT HE HAS considerable info on KAUDER's present activities in Salzburg.) In summary, [] attempt to elicit further info on KAUDER was unsuccessful.

Kubark received a report in Summer 1952 that URBAN was doing business with KAUDER. Since KAUDER was suspected of Soviet affiliations and since URBAN was at that time providing garbage to the ex-Abwehr Group which KUBARK sponsors in Germany, Washington put out several queries.

We include Richard Kauder & Klatt in our chart of the Klampfer complex, showing connections between Kauder and Winkler, which actually run through Dr. Roman Loos, former official of the Geheime Feldpolizei who is now confidential secretary to Archbishop Rehracher of Salzburg. Kauder's presumed connections with enemy intell are substantiated by statements to G-2 by British intell, which in 1950 dismissed Kauder's close associate Dr. Viktor Altmann on suspicion of being under Soviet control.
