1. A check of POB/US files revealed only that MGHA-12078 of 10 September 1951 requested traces on Hans PENTEKER, born 13 June 1919 in Borgo-Rumania. At that time ZIPPER was queried and their reply was negative. This reply was forwarded in MGHA-8947. There is no other information on subject in POB files but MGHA-12078 would seem to indicate that subject possibly has been in the West for some time.

2. Please indicate whether you desire an up-to-date check of ZIPPER files.
