REFERENCES EGMA 7544 dated 8 February 1963

1. Reference transmitted the EDC results on

Ernst KIRSCHKE
 Born 28 April 1911
 POB: Danzig

and contained sufficient data to indicate that Subject was probably witting of certain war-time atrocities and possibly took part in certain of the actions. At the least, his rank and assignments at the time would make him an individual whom UPHILL would not wish to hire.

2. We therefore passed the EDC results directly to GEBERHARDT and he commented that it was actually Subject's son who was being considered for employment with UPHILL. Although we did not retain a copy of Ernst KIRSCHKE's EDC file, we jotted down some info from the file and noted that

Viktor KIRSCHKE
 Born 3 March 1935

was Ernst KIRSCHKE's son. Since there is a good possibility that Viktor KIRSCHKE is or will be active with UPHILL, we are therefore requesting all agency traces on the basis of security interest to KUBARK. Forms are forwarded under separate cover.
