EGFA-8271, 5 Apr 54 *U/M

b. V-1492: A personal friend of U/M, as well as of V-1491, V-1492 has been in and out of the VIENNA U/M group over the past two years. We do not know of anything specific that he has done in the reporting period, but presume he has been involved in one investigation or another. U/M has had some reservations about V-1492, but these apparently will be resolved in the near future (according to a recent comment by U/M) when V-1492 moves out of the Soviet Zone of Austria, and secures his divorce from his wife.
