1. EGLM 1084 of 2 October 1953 requested traces on one Heinz KOENNER, born 21 July 1921, a mechanic, who had escaped to Berlin from Leipzig in September 1953. PULL 6541 of 6 October replied no traces. The foregoing is the closest we could come to finding traces on the Horst KOENNER of reference

2. The organization described in paragraph 2 of reference certainly sounds like ZIPPER. Have they checked their files?
