1. So far as we know, the only intelligence activity in which ALPS has recently been engaged is his work while still in Germany with Sergej FROELICH and Pavils KOVALEVSKIS who were said to be planning the dispatch of two German repatriates to Latvia. Both ALPS and KOVALEVSKIS claimed to have knowledge of a currently feasible land-route across Poland to Latvia. We do not know whether ALPS continued his connection with FROELICH after leaving Germany, but have heard from a local Latvian that ALPS is rumored to be in Chicago and still connected with intelligence work.

2. As ALPS is of no operational interest to CSOB we leave the forwarding of the above information to ZIPPER to your discretion.
