Born in Liepaja, Latvia.

- FYI: Munich files contain voluminous traces on Subject, stemming from his past application to [RFE] for employment (which was rejected), his being considered by Munich Base for ABCARRERA assignment (also dropped), and his being under attack by the RIS for his literary activities as Chief Editor of Latvia. None of the information contained in this correspondence may be passed to the LfV.
- FYI: We also have the following information, contained in MUNI-3631, 19 March 1956, which quotes CPGWV-2446, 21 January 1952: "According to EGHAHIT, Subject was a concentration camp leader during World War II (information from British authorities), and was responsible for the extermination of some 2,000 Jews." We assume that CIC will attempt to clear this information for passage to the LfV.
