Leo XEK KROEMER, former LfV Technical Specialist, has been assigned to Section IIG effective 26 Sept 55. In view of his SD background and his previous criminal police career, he has some experience in the espionage field, mostly with security of German army installations. This apparently is one of the first moves by Alexander WAAG, LfV Operations Officer, in his program of strengthening IIG coverage and bringing operational coordination into IIG work.
