

**KRUPP RECEIVES SOVIET ORDER**--Friedrich Krupp announced on June 19 in Essen that his firm has received the first large-scale postwar order to be placed with West German industry by the Soviet Union. His firm is to construct a factory for artificial fibers at a total value of about 17 million DM. The question of export financing and insurance has not yet been settled. Krupp is sure that the Federal Government will approve the order. (Hamburg, DPA, June 19, 1957, 1430 GMT--G)
