- Operational/CR INFORMATION
- KRUPP Dealings with the DDR

REF: JPH-10237 same subject with PLjn 21 June 57 filing notes

1. JDB's files confirm the current position of Paul FRENKEL as First Secretary of the G.P. Bezirk Directorate Leipzig and as candidate member of the Central Committee.

2. While JDB has no direct information on any transactions involving the KRUPP family in business deals similar to the one reported in reference, it is a well-known fact that the DDR has acted as purchaser for materials ultimately destined for Communist China. The demise of the China Export Corporation (which was set up primarily for this purpose) has by no means eliminated all buying and transit activity of the DDR for the benefit of Communist China.

3. On the chance that JDB, Germany may have additional information of KRUPP/DDR dealings, or since it is possible that JDB may be able to identify the member of the KRUPP family mentioned in reference, a copy of JPH-10237 is herewith forwarded to JDB, Germany with the request that any pertinent information be forwarded directly to JDB, The Hague.
