Traveled to Kreis Gardelegen, working as farm hand. Went to Latvian Committee in Goettingen.

7/45 - went to Heidelberg, tried to enlist in U.S.Army. Held by CIC Heid until recruited by SI - OSS/SSU.

LWX 168 29/3/46

Pouch X 4521 - traces show Brandenburg Regiment experience apparently correct. (See Freund notes).

CONCLUSION: Weaknesses:

Membership in prandenburg SS Division which placed him in automatic arrest category.

Adquaintance with one Frau Fischer (or Fisher) whom he took along on one of his missions, indiscreet in his remarks to her (e.g. calimed to be a 1st Lt. with CIC)

Case officer allowed looseness and allowed him to become acquainted with agent Lorna.

The case is still being investigated, although it is assumed that Hobo has been executed.
