MAKAROV and Michail Michailovitch VALODIN, according to his own statements, were supposed, prior to their departure, also to come to Stockholm. They were <sup>until</sup> scheduled to remain in Sweden ~~xxxx~~ 25 May 19 59. MAKAROV reportedly had a civilian profession as Maschinenbau-Ingenieur ( (Machine Construction Engineer)., and completed his education at the University of Leningrad, where he also specialised in the English language.

The Soviet also asked me how "Roby" and Aleksander now live. The names were not known to me. He told me that "Roby" is Colonel Alfons REBANE, now in England and Aleksander is Major KUROWEL, who is in New York. I said that I do not know any Alfons REBANE, and therefore do not know how he lives, and re KUROWEL, I neither know him nor anything about how he lives.

My brother from Soviet Estonia is in Sweden and is presumed to reside at present in Stockholm. He called me on the telephone from Stockholm on 7/5/59 and visited me on 7/6 from 0800 to 1800 hours. He was accompanied by a representative of Soviet intelligence, who, as was my brother, was a member of the staff of the Soviet Section of the International Exhibit in Goteborg. This official of the RIS waited for me in Goteborg.

On 8/5 I reported the visit of my brother to the staff of the Soviet Section.
