3.5(c)

Argentina

Argentina: The Montoneros and the New Government [redacted]

The Montoneros, the Peronist leftwing terrorist organization decimated by security forces in the late 1970s, are trying to make a political comeback, but they have little prospect for significant gains any time soon. [redacted]

13 January 1984

3.5(c)

Argentina's Neighbors: Mixed Reaction to Alfonsin's Election [redacted]

3.5(c)

Quick-starting President Raul Alfonsin's promises to promote democracy and human rights in South America have heartened many civilian politicians but have heightened concerns among leaders of the authoritarian military regimes in neighboring states. [redacted]

27 January 1984

3.5(c)

Argentina: Strategy in Central America [redacted]

3.5(c)

President Alfonsin has all but ended his military predecessors' covert activities and arms sales in Central America and is seeking a political role in the search for a diplomatic solution to conflicts in the region. [redacted]

30 March 1984

3.5(c)

Argentina: Alfonsin's Peronist Opposition [redacted]

3.5(c)

Under the pressure of President Alfonsin's labor and economic initiatives, which threaten the Peronists' traditional power base, the disparate movement has achieved sufficient unity to defeat important government-sponsored legislation. [redacted]

18 May 1984

3.5(c)

3.5(c)

Argentina: Radical Party Politics [redacted]

Economic and political problems have exacerbated longstanding ideological rifts within the ruling party, causing President Alfonsin to temper government policy in an effort to maintain a balance between competing factions and thereby preserve party unity. [redacted]

1 June 1984

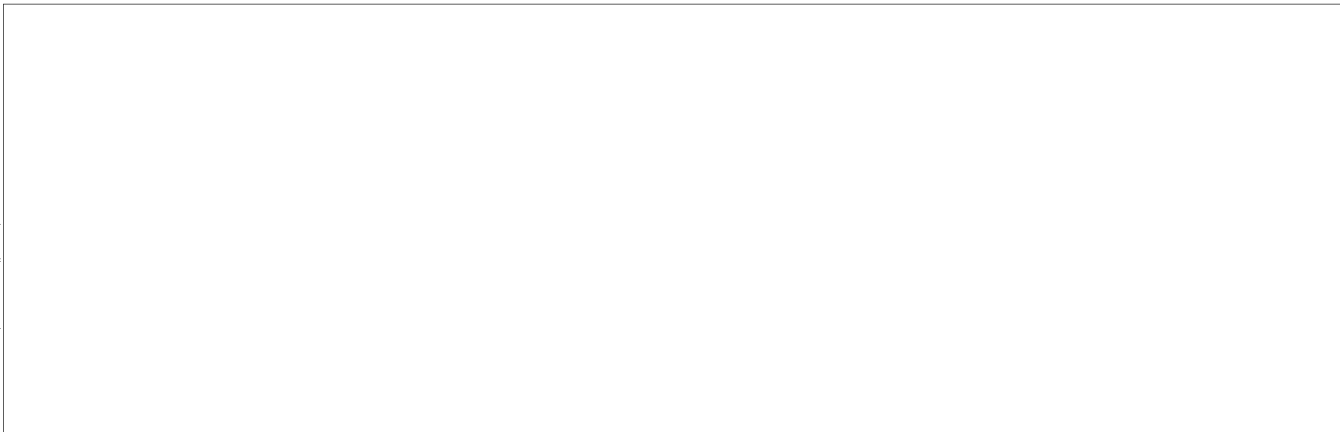

3.5(c)

(Brief) Argentina: Labor Threatens To Spur Inflation [redacted]

3.5(c)

16 March 1984
