10. FACTS, EVALUATION AND COMMENT: (Use additional plain sheet if necessary.)							
<p>A. Mission</p> <p>(1) OPG/EE Strategic Plan - Part II, Para. II.</p> <p>(2) OPG/EE Germany, Part II, Para. B, and Part III.</p> <p>B. Accomplishments</p> <p>(1) On 15 January, 1952, the first two indigenous agents of the LCPROWL APPARAT wireless transmitter section were sent to raid school. Both men are fully cleared and it is planned that they will go into action with the fighting groups of LCPROWL APPARAT in the event of B-Day. One of the men has had considerable previous training in this work, and while the other has not, it is felt that he will be of operational value in about two months. There are other men ready for training once they are fully cleared.</p> <p>(2) Clearances for the APPARAT are being processed at a steady rate.</p> <p>C. Reaction No comments.</p> <p>D. Conclusions No comments.</p> <p>E. Miscellaneous Comment</p> <p>(1) Since the LCPROWL APPARAT is wholly compartmentalized from the overt organization, i.e. the Bund Deutscher Jugend (BDJ) (KMPRUDE), a separate monthly report will henceforth be submitted on the forms. This is done merely for the sake of clarity of reporting and does not mean that the LCPROWL APPARAT has been developed into an entirely separate project.</p> <p>(2) A project amendment, designed to authorize additional FY 1952 funds to the LCPROWL APPARAT, is now being proposed.</p>
