**A.** During the reporting period, the Bund Deutscher Jugend distributed the following items: 8,500 circulars and circular letters, 60 posters, and 70,000 copies of their "Information Service." This constitutes a total of 1,821,000 leaflets; 267,000 stickers; 29,370 posters; 35,000 circular letters; 235,000 copies of the Information Service; 30,000 Christmas cards and 7,500 balloons distributed since August 1950. The paid-up membership of the BDJ has increased from 7,290 to 7,656.

Amendment No. 2, providing an allocation of \$125,000 for the training of 7,000 BDJ members in paramilitary activities to form the LCPROWL Apparat was approved on 27 July 1951. The first training class of 15 members has been completed in the field.

Six members of the Halle branch of the BDJ were arrested and two were later released on the conditions that they inform the East German security service against the organization. As one of those arrested knew the leaders of the BDJ and a part of the plans for the Apparat, immediate security measures were taken.

B. The amount of propaganda items distributed during the period under review indicates a successful continuation of the psychological warfare activities of subject project. The completion of the first training class and the favorable reactions of the trainees indicate that the field has taken immediate steps to implement Amendment No. 2, and that training will be continued as scheduled.
