NOTES:

Herman - cable to Bonn.  
Let's inform Globke that we're here with it and tell him about their prospects in general

This objective is new to me - unrealistic, at that.

What is PB Banal + it's r

1. Rout papers as quickly as possible; file them without delay.
2. If only a Section is addressed (and no individuals), the head of the section is responsible for all further routing and action.
3. Destroy surplus copies before filing.
4. Destroy this sheet before filing or pouching.
