On 11 March, the Social Democratic Party (SPD) White Book on the League of German Youth (EDJ) and its Technical Service, which was published in 300 copies, was also released to newspapers, news services, and to Bundestag officials. To date, the White Book has received very little German newspaper publicity. The German Mission believes that, unless someone in the SPD pushes the story, the worst phase of unfavorable publicity on the EDJ is now over.
