Dear [REDACTED]

Greetings from Washington. I recognize that you have repeatedly told me that you have no recollection of the names I have sent you. However, since last writing to you, we have developed a little more information on one of the names and have added two names to the list. Would you please review the current list to see if you have any recollection of any of them.

Entries from George White's diary for [REDACTED], are enclosed to possibly stimulate your memory.

I will phone you in a few days for your reaction, or you may phone me at [REDACTED]. A collect call will be accepted. I thank you very much for your past help and look forward to our next conversation.

Best wishes,

[REDACTED]
