Dear Allen,

(b)(1)  
(b)(3)

I shall try to write you the letter we discussed over the phone as soon as possible. If I can't do it intelligently by tomorrow, I shall work on it on the ship and air mail it to you from Europe.

I am looking forward to meeting you in Europe in August and I hope you will advise my secretary, Mrs. Shantery (Regent 7-3234) where and when I can meet you. Mrs. Shantery will always know where I am and how to reach me.

With best regards.

Cordially yours,

*Leon Moore*

However, I can assure you that the matter will have a thorough going over to make sure that no injustice is being done.

I hope to get your further letter that you promised to write me on the boat.
