

Main PO Box 1513

MAY 19 1955

Dear Leon:

Yours of 13 May received here on 17 May. It was postmarked 14 May, and I presume the intervening weekend had something to do with its taking an extra day or so to be delivered. The address you used is correct.

Your letter is most interesting as well as the enclosure, and I am referring it to some of my specialists in this particular field.

It is always good to hear from you.

Faithfully,

John A. H. D.
