EX

Joseph E. Johnson. Esq.

(b)(6)

Dear Joe:

It was very thoughtful of you to send me the copy of the memorandum, "Cessation of Muclear Testing - Proposal for Immediate Action by the United States Government." I have looked it over with interest and have also made it available to others here in my office.

I enjoyed very much talking with you the other day.

With every best wish.

Sincerely,

(b)(3) (b)(6)

Allen W. Dulles Director
