Dear Gordon:

Many thanks for your note of January 18 advising me of Gabriel Hauge's candidacy for membership in the Century Club.

It is a pleasure and a privilege indeed to lend my endorsement to Gabe and I have just dispatched a letter to the Chairman of the Admissions Committee doing so.

With best regards,

Faithfully,

SIGNED

Dear Allen:

Elliott Bell and David Rockefeller have proposed Gabe Hauge for membership in the Century Club. I have written a letter for him and am soliciting letters from others on his behalf. I think you know Gabe well. Will you contribute a letter to this good cause, addressing it to the Committee on Admissions, The Century Association, 7 West 43rd Street?

Sincerely yours,

A handwritten signature in cursive script that reads "R. Gordon Wasson".
