5 March 2007

Mr. William H. Cunliffe
Senior Archivist
National Archives and Records Administration
8601 Adelphi Road
College Park, Maryland 20740-6001

Dear Mr. Cunliffe:

This letter officially conveys to the National Archives and Records Administration (NARA) 109 re-reviewed Nazi files and 64 new files (see attached list). The remaining 27 files on this delivery will be delivered later this week. The documents in these files are a portion of the records released by CIA pursuant to the Nazi War Crimes Disclosure Act.

We understand that NARA will conduct a privacy review of these documents, and that it is NARA's responsibility to coordinate with other agencies as appropriate concerning the declassification of these documents. Documents (not previously released) requiring review by other agencies are tabbed for review. Also tabbed are documents previously released where additional redactions were taken by the other agencies. After appropriate coordination, please provide to CIA a copy of any of these documents where additional redactions are required.

Please notify us before these documents are released to the public. If we can be of any further assistance, please contact us at your convenience.

Sincerely,

[Redacted Signature]

Mary E. Walsh
CIA Representative to NWCDA
Interagency Working Group
