1 May 47

VII-9697

SUBJECT: LEBERS, Hans.

TO : Commanding Officer, 970th CIC Det, Mq, KJOWN, APO 757, US Army.

1. Forwarded herewith are copies of report Tempelhof Field Office, this Mq, 30 Apr 1947. Subj: LEBERS, Hans, together with inclusions thereto, together with copy of CI Arrest Report 26 April 1947 concerning the arrest of subject as an SS Obersturmbannfuhrer falling within the Automatic Arrest Category.

2. Subject has been transferred to the jurisdiction of the S-2, Mq, Berlin Command, COMUS, for disposition through normal channels as an AAG, together with copies of the inclosed report and CI Arrest report.

3. It will be noted that the investigating Agent recommends that subject be interrogated by NISG for possible interest in his connection with the July 20 plot on Hitler's life and his sentencing by the Volkgericht to imprisonment for "connections with the enemy." In this connection it is recommended that NISG be notified of subject's arrest so that he may be transferred to NISG should they have interest in an interrogation of LEBERS.

4. His case will be considered closed by this office pending any notification by your Mq.
