SECURITY INFORMATION

Chief of Station, Karlsruhe  
Chief, Berlin Operations Base  
Operational  
~~CAUTERY~~

4 January 1952

Attention: [ ]

1. In a recent discussion with CAUTERY, the idea was again taken up of organizing a Hauskapelle in the U. S. Zone of Germany to act as a helping arm for your CE Operations. This idea was earlier taken up by [ ] when the latter was operations officer, and very concrete ideas were discussed with CAUTERY, such ideas deciding him not to press his reinstatement into the German civil service.
2. We feel that in order to fully plan the future of CAUTERY and to prevent his putting all his eggs in our basket, we should come to a decision on the extent of our need of a Hauskapelle and the extent of CAUTERY's involvement in such a project.
3. Since I know that you are planning a trip to Berlin, I would appreciate your making your trip as soon as possible so we can discuss this CAUTERY problem in detail and possibly even have you meet CAUTERY in order for you to size up CAUTERY as a person and discuss with him the potential for a Hauskapelle set up under his auspices.
4. Please give us plenty of advance notice of your arrival, so CAUTERY's schedule can be arranged in such a fashion that he has plenty of time to devote to your visit.
