The attached reports were obtained by agents of this base in connection with a discussion between [redacted] The first, dealing with the address of Werner LINDE was provided by a tested agent who investigated in person. We believe it is self-explanatory and inclusive, with the one possible reservation that your source may have made an honest mistake in giving the address. The second attachment, treating general conditions of "Brigadezug" travel into the USSR, was furnished by a tested, well-placed source on the basis of his general knowledge of those conditions and contacts with Brigade personnel. We feel that it is an accurate picture of present conditions. On the basis of these reports we have lost interest in this particular case, and will take no further action unless specifically requested by you.
