CAUTERY Chain Revolving Fund

246.1

[] has informed the undersigned that your office does not care to handle receipts indicating that DM East expenses have been paid by exchanging DM West locally. At the risk of complicating an accounting system already under scrutiny (which question is raised in another memorandum), CAUTERY I has been informed that as of the near future he will be furnished with a DM East fund similar to his present one, and subject to similar accounting methods. This will become effective o/a 1 April, which change will also be noted in the next progress report.
