REDCAP/CAUTERY

Field Project Outline for CAUTERY 1 and CAUTERY 4

References:

- SERLE 9183, 6 May 1953

- EGRA-7661, 27 May 1953

1. We feel on reading the pouched FPO for the CAUTERIES that some points are unclear, particularly concerning the compensation to be paid to the two agents:

- a. The \$1,500 DMW per year plus 12,000 paid through HICOG per year, seems so far below the figure of 1500 DMW per month plus 1000 paid by HICOG cited in the cabled FPO (SERLE 9183) that we wonder whether one of the two FPO's is in error. Other figures also do not mesh when we compare the Cost sections of the pouched FPO (EGRA-5130) with those of the cabled FPO (SERLE 9183).
- b. Do we bear the HICOG cost too, merely channeling it through HICOG for cover purposes?

2. While we do not wish to hold up EGRA-5130, and EGRA-5257, the receipt of EGRA-7661 raises additional questions on cover. We wonder therefore whether you would like to submit this Field Project Outline in greater detail. We are therefore not processing or forwarding EGRA-5130 or EGRA-5257 pending receipt of your cabled or pouched instructions.
