Ref: EGHA-8011

1. We have noticed the delay in transmission of reference from 22 September to 10 November. While the contents of referenced dispatch do not provoke any particularly new ideas regarding CAUTERY-1's present employment in LCCASSOCK, we believe that some comment on the relationship between CAUTERY-1's BfV dealings/future and his present LCCASSOCK commitment should have been made in order to keep the problem squarely in focus.

2. We have forwarded reference dispatch to the Home Office with an addendum indicating that we would ask Berlin to make such a comment. Please forward same at your earliest convenience.
