Operational

Field Project Outline, CAUTERY-1

Ref: EQBA-9263

1. Subject project outline has not been forwarded to the Home Office. As we see it, CAUTERY-1's present assignment is that of security officer within the ECCASSOCK complex. Therefore, his salary should come out of available ECCASSOCK project funds and he should be handled by the ECCASSOCK case officer. Moreover, we do not consider that any extension of CAUTERY-1's knowledgeability concerning KUGOWN operations should be made in view of his probable eventual transfer to the BfV. Therefore, his use as a security supervisor of "operational groups wherever needed" would not be permissible.

2. While Washington is, of course, fully informed of this change in CAUTERY-1's assignment, you may want to send an administrative dispatch spelling out CAUTERY-1's changed status.
