DISPATCH NO. EGBA-40219

CLASSIFICATION

TO Chief, EE

DATE 26 March 1957

FROM Chief of Base, Berlin

INFO: COS

SUBJECT { GENERAL - CADORY/Operational
SPECIFIC - LCCASSOCK: Request for Copies of CAUTERY-1
PRQ's, Parts I & II

1. A recent search of files currently available at BOB failed to produce copies of the correspondence on the name tracing, security approval, and other personality information on CAUTERY-1. Possibly this is because this correspondence dates from the period during which he was employed as a KUFIRE and REDCAP asset (1948-1953), and that the BOB file was inadvertently forwarded or destroyed while he was being transferred to LCCASSOCK.

2. In order to bring BOB records up to date and to determine whether or not an amendment to CAUTERY-1's clearance is needed to bring it into line with his current activities, we would appreciate your forwarding copies of the above mentioned correspondence to BOB.
