<p>ECBA 59014, 31 July 1959 <i>cyf Accessed. 201-103282</i></p> <p>1. Per Reference request we have checked Station records with the following results: ODACID billings do not identify (LCCASSOCK-4) salary as being billed to the Agency. Further no action has been taken to transfer the expense from the overhead account to the LCCASSOCK account. Thus it appears that if billing has occurred without specific identification (which is possible - since local salaries are generally reflected in gross) it is evident that the expense has been absorbed by an account other than LCCASSOCK. Perhaps Bonn or Headquarters can cast further light.</p> <div style="margin-top: 20px;"> <p>CONCUR: }</p> <p>APPROVED: }</p> </div>
