<p>2. During the reporting period LOCASSOCK-4 arranged with his local Landespost liaison contact (the local Landespostdirektion security official) to meet an East German postal official who comes to West Berlin regularly to visit LOCASSOCK-4's liaison contact. The East German official is concerned with East German mail sent to Eastern European satellite countries. It was hoped that LOCASSOCK-4 would be able to establish a continuing relationship with the East German official, under the auspices of his West Berlin contact, for the purpose of keeping abreast of Soviet zone postal and censorship practices. To this end we furnished LOCASSOCK-4 with certain informational requirements on the East German postal system for use in his first discussion with the East German official. If and when this contact is established on a productive basis, additional reports will be submitted on the identity of the official and further development of the connection.</p>
