SUBJECT: Report of a Possible Succession Pact Between President Balaguer and Juan Bosch of the Dominican Republic

No - draft a friendly letter to Bebe Rebozo with info.

Bebe Rebozo sent you a report

 that there is a "Pact of Succession" between President Balaguer of the Dominican Republic and Juan Bosch, former President and leader of the opposition Dominican Revolutionary Party (PRD). The Pact supposedly would allow Balaguer to finish his term in peace and in return allow Bosch to assume the presidency in the next election.
