FROM: RICHARD T. KENNEDY

TO: GENERAL HAIG

1. Peter's girl friend called to ask Fazio to meet her later this afternoon. We will let Peter know what transpires.
2. Realize you are probably well aware of this but wanted to remind that pilot is under instructions to return to Orly at 1:30 p.m. Tuesday and fully refuel for return to Washington.
3. Senate approved your nomination this morning. Congratulations from all here. Admiral McCain's retirement also approved. General Abrams nomination was not considered today though it also was on the calendar. Mansfield says it will be debated later/after Committee report on Lavelle case is available. Senate sources say that this will be occasion in week for debate on Lavelle case.

Warm regards.
