

**TO: Ambassador Watson, Paris (Eyes Only)**

**FROM: Henry A. Kissinger, The White House**

Your messages on the two groups of visiting French Parliamentarians have been most useful, and I have acted on them.

I met for more than an hour with Alain Terrenoire and his group of young Parliamentarians on October 5. They were probing and interested and, I hope, at least partially satisfied. The President met on October 6 with members of the France-Etats-Unis group being shepherded by Wayne Hays.

Again, many thanks for your recommendations and helpful background. Your visiting firemen have received good treatment -- thanks to your early warning.

Warm regards,
