MEMORANDUM FOR: The Honorable Henry A. Kissinger
Assistant to the President for
National Security Affairs

SUBJECT: Timing of Receipt in Cairo of Most
Recent Messages re Egyptian Third Army

[Redacted]

2. The question of timing of these messages presumably has significance with regard to the assertion by the Israeli Government that their representatives have been waiting at kilometer 110 since 1500 hours Cairo time without as yet any appearance there of Egyptian representatives, as well as the Egyptian assertion that their representatives are being held by Israeli troops at a distance of 15 kilometers of kilometer 110 and prevented from proceeding to the agreed rendezvous cite.
