MEMO FOR: GENERAL HAIG

FROM: TOM LATIMER

Due to the lack of good photographic and biographic material relating to Chinese leadership, particularly at the second level, it would help CIA provide support to the White House and other government agencies if the Agency could be provided copies of still and motion picture photographs acquired as a result of the three preliminary trips to China.

RECOMMENDATION:

That you sign the attached memorandum to Dwight Chapin asking him to authorize the distribution of such material to CIA.
