MEMORANDUM FOR: GENERAL HAIG
FROM: Jeanne W. Davis
SUBJECT: Ehrlichman Requests Information on
NSC Staff

John Ehrlichman has asked for an up-to-date list of the NSC staff, for monthly figures on the size of the staff, and for a comparison with the Johnson NSC. (Tab II)

I have prepared a memo for your signature (Tab I) which gives him the information. We deliberately delayed for a few days, since we had some personnel actions in process and a total a week ago would have been misleading.

RECOMMENDATION:

That you sign the memo at Tab I.

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

APRIL 28, 1972

FOR AL HAIG

As you probably know, I talked to Bob Haldeman the other day about the upcoming Congressional oversight hearings on the White House staff (National Security Council).

It seems to me prudent to try to prepare our counter-punch well in advance. To that end, would you please provide me with an up-to-date list of the current NSC staff.

It would be very helpful if you could provide me with monthly figures on the size of the NSC staff and any sort of comparative numbers that you may have developed with regard to the Johnson years.

All information that you provide will be strictly confidential. In order to prepare the material accurately it is vital that we have all the information.

John D. Ehrlichman
