Objection To Declas

The state of the state

in yesterday's Timet, James Reston implied incorrectly that Secretary of State Regars refused to invite Francis Sayre, down of the Washington extheorable on official luncheson because the deem had led an antiture market had the White House, Mr. Regars acys he did not even know that Dean Sayre had participated in such a dismostration. Mr. Reston regrets the error.

Tougher Sentencing

By Russell Baker

WASKINGTON, San. 10—Some people are saying Governor Rockefeller
goes too far in wanting to lock up
yeary drug dealer farever. Some say
Fresident Nison's Justice Department
shows too much love for the noose in
saking Congruss to bring back the
death penalty, even for hilpdicing.

The issue is debatable, hotty. What
is not debatable, however, is the inequity of getting tough with only of
getting tough with only of
grow select crimes such as shipcking
and drig dealing.

"There is something clitist in these
two huge, rich governments selecting
frug dealers and shipskers to get tough
with. The drug rusker and strings hip
and to lig shots with our governments.

Here is a classic class of power being
used to inducity its own pewes.

What shout the document of there

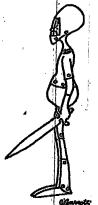

used to indulge its own percea.

What about the dozens of other crimes and mistenemous which do not affect great men but still unke life miscrable for thote without power to command heatilines and Congresses?

Why is there no outcry from the top for harder punishments in these cases?

To take a small example, consider double parting. The chief miscreants are trucks, post office vehicles and doctors, three power block (1012, postince, the A.M.A.) which happen to along when the power has the conjunction of the power has the conjunction of th

OBSERVER

doctors, three power blocs (liotta, postmen, the AMAA) which happen to alloy the patronage of Republican.

If hijackers are to hang and drug fedulers to be eaged eternally because they try the patience of powerful men, then these double patient who compound the misery of urian life should also suffer punishment would be the old fortune of "squassation." It would not be seed against the vehicle's driver, and to try the patience of "squassation." It would not be seed against the vehicle's driver, and to try the patience of "squassation." It would not be seed against the vehicle's driver, and the transport of the patience of the pati

Nine o'clock sch

Sunday evening at nine, a Victorian classic becomes the levision when the Masterpiece Theatre dramatization of 7 Days begins on PBS. Channel 13 in New York.

The story, as you probably know, deals with a young boy's his limst years at Rugby in the 1820s. A top hat and frock coccestume, but don't let that fool you. The curriculum is pler the ragging by upper-formers.

Tom takes a lot from that bully Flashman. He's a plucky to severes. And, needless to say, he winds up the better man in the transition of the properties of the prop

We share that regard. We've been getting high marks to 108 years ourselves. See truth and bravery triumph. See Tom Brown win out. Equiet, when the bell rings on Sunday at nine.
