FLASH -- DELIVER IN SEALED ENVELOPE. NO COPIES RETAINED  
TO GENERAL SCOWCROFT FOR SECRETARY KISSINGER  
FROM DICK KENNEDY *DK*  
SUBJECT: Director / CIA TTB Comments

Director Colby called to say that he had studied the content of your message (HAKTO 14) carefully. He considers the entire position to be excellent and a major step forward, evidencing considerable concession on the Soviet side. He noted that he considers the verification problem manageable within the already well understood limits.

Director Colby sent his congratulations on this achievement.

Warm regards.
